

Technical drawing of a circular object, likely a lid or base, showing dimensions and construction lines. The drawing includes a central circle and an outer circle. The outer circle has a diameter of 95mm. The inner circle has a minimum diameter of 41mm. The distance between the centers of the two circles is 34mm. The outer circle has a thickness of 19.5mm. The inner circle has a thickness of 6.2mm. The outer circle has a maximum diameter of 8mm. The drawing is labeled with dimensions in millimeters (mm).

Dimensions shown:

- Outer diameter:  $\phi 95\text{mm}$
- Inner diameter: Min  $\phi 41\text{mm}$
- Distance between centers: 34mm
- Outer thickness: 19,5mm
- Inner thickness: Min  $\phi 6,2\text{mm}$ , Max  $\phi 8\text{mm}$

Make sure to print this sheet of paper in scale 1:1 (100%)
